STUY POST

November 2023

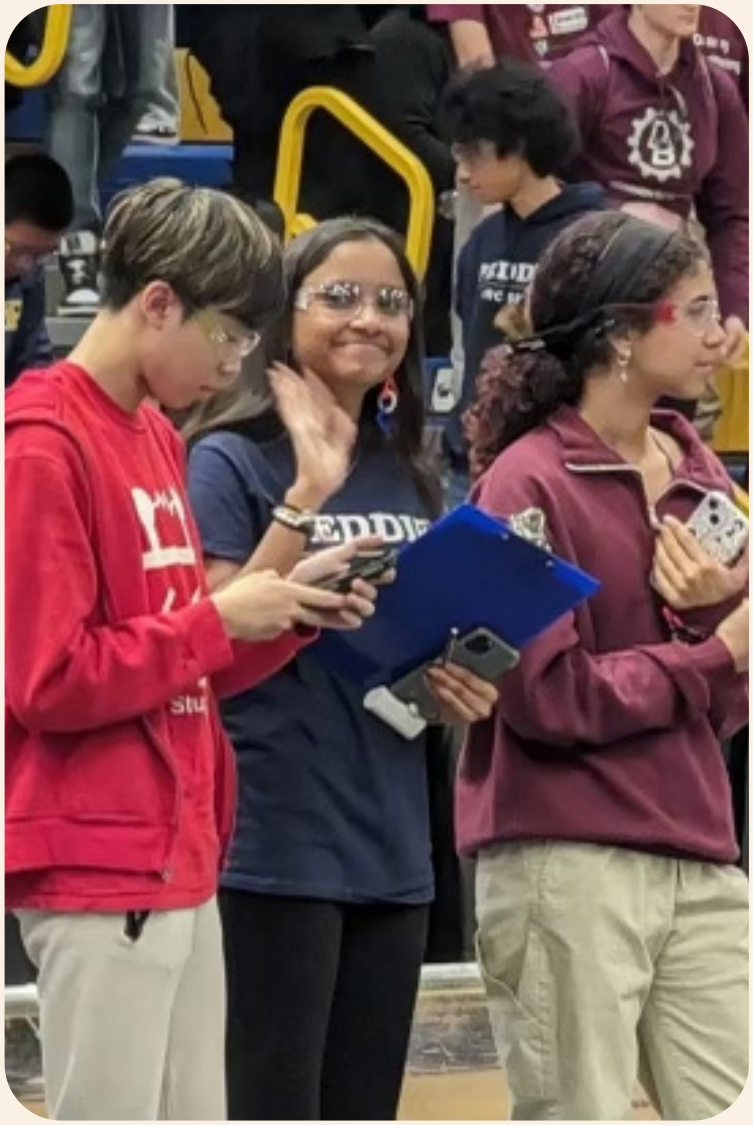

MoMath Demo

On 11/18, from 10am to 2pm, we demoed Sacrod, our off-season robot at MoMath.

The kids expressed their avid curiosity and excitement towards our robot; they played with the shooting mechanism and had a blast!

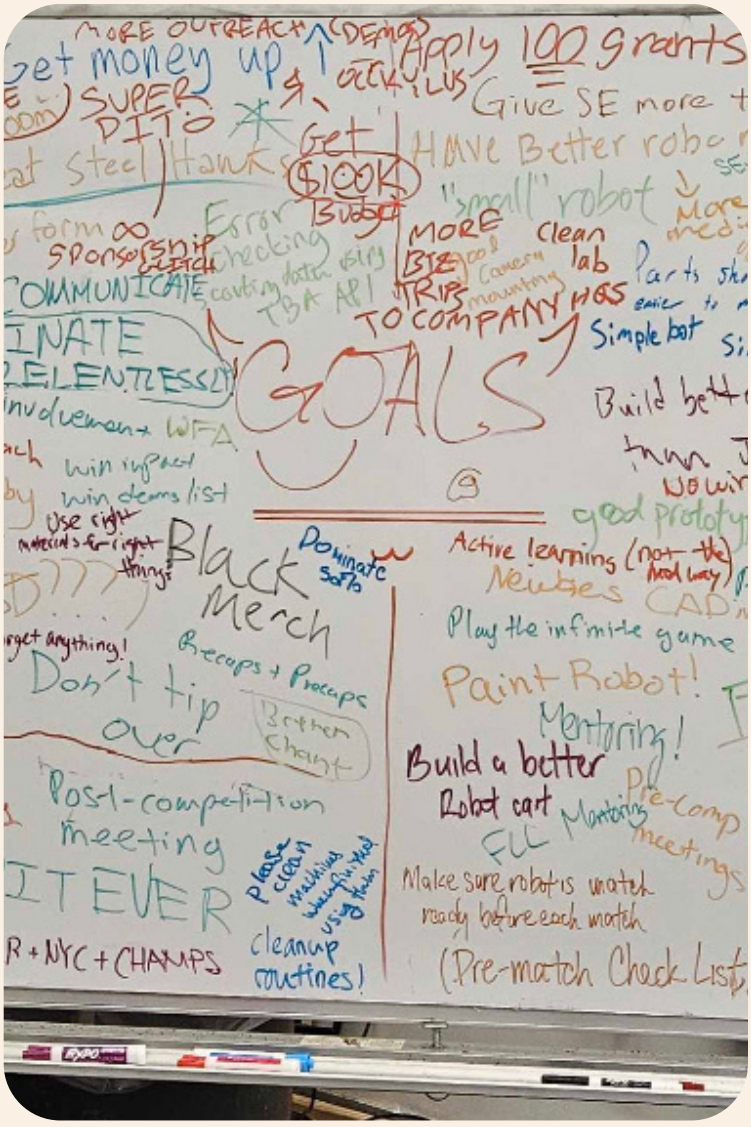

Brunswick Eruption

We attended the offseason Brunswick Eruption on 11/11.

We placed 3rd with our alliance members: Ossining Engineering Club Team 4122 and Peddie School Robotics Team 5895! We learned a lot from each other.

Goal Setting Meeting

We held a goal setting meeting on 11/27.

We discussed our upcoming season goals and what went wrong last season. We'll keep everything we wrote on this whiteboard in mind as we proceed onto the season, and try to accomplish as much of these points as possible!

Newbie Ed

Robotics newbies continued to attend Newbie Ed!

Engineering newbies began to work with Cad Ed to learn how to use Onshape. Our veterans were very attentive in helping newbies who were struggling.

StuySplash

Our annual StuySplash event is officially announced to be held on 12/16/2023 from 9AM until 4PM at Stuyvesant.

Come to learn about STEM, FIRST, business, and more!

Scan the QR code below to access presenter AND attendee forms!

The presenter form is due NOVEMBER 26TH!

Upcoming Events

FLL Session w/ Girls Scouts 12/5

StuySplash 12/16
