Impact Presenters Selected!

Congratulations to...
Kano Kitaguchi, Jennifer Ye, and Jiayu Yan
for being selected as Impact presenters for the 2022-2023 season! We know that you'll represent StuyPulse well.

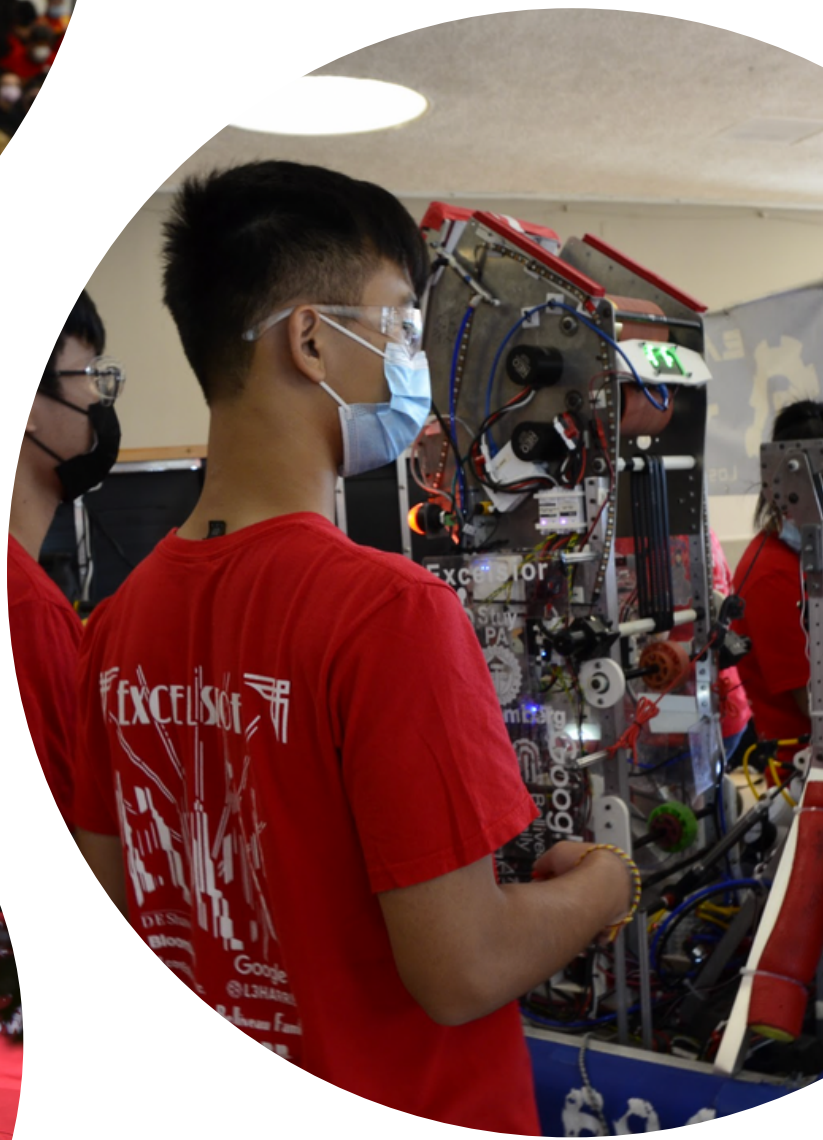

Chezy Champs!

We attended to Chezy Champs in California! This was a huge learning experience and it was such an honor to be competing amongst some of the best teams in the world. We also toured Stanford afterwards, and seniors on the team were able to take a glimpse at what campus life could be like.
