Stuy Post

June 2022 Newsletter!

The Extravaganza

Our Team Dinner, also known as the Extravaganza, happened on June 25th. Thanks to the help of volunteers and the Business department, everything went smoothly. We had a robot demo, raffle, and auction, among other things. Gifts were also given to mentors and seniors.

The PA Meeting

The Stuyvesant Parent Association is one of Stuy Pulse's biggest sponsors. To show them the progress we've made over the last year and how we allocated all of the money they gave us, we held a robot demo and presentation. Thank you to our three student presenters: Daniel, Rain, and Vincent!

Upcoming Events

Indiana Robotics Invitational - July 11th - 13th

Chezy Champs - September 24th - 25th

Dual on the Delaware - October 15th
